Mike,

It was great to see you. Thanks for treating me to lunch. I really enjoyed seeing your office and meeting John.

You prove friendship is one of the greatest gifts a person can have. I am blessed by knowing you. You are the Michaelangelo of the art of comedy. Your ability to demonstrate comedy and anatomize the art into universal principles of truth can only be the endowment of an artist.

I don't get to be around you enough. Here is to more chances.

Regards from your friend,

Jay Johnson
